- a. The 340th Flying Training Group will manage your training and will be in contact with you soon to facilitate your gain into the Air Force Reserve. Be prepared for delays in this process, depending upon the status of your flight physical and training availability.
- b. If you do not have a certified flight physical, work with your recruiter and/or unit to schedule one (be sure to mention your selection on an AFRC UFT Board). **Once your flight physical is approved/stamped certified, notify 340 FTG via email at 340FTG.UFT.Workflow.1@us.af.mil**; Selectees must have an appropriate Flying Class Physical certified by AETC Surgeon General that is valid through the start date of their training program (ENJJPT, SUPT, URT, UCT and UABMT). All flying class physicals are good for 48 months following the certification date. Some selects have current

physicals which will expire before their training start date. It is the member's responsibility to seek a new flying class physical, if required, based on the class start date on their orders. For more flying class physical information, reference AFI 48-123, Medical Examinations and Standards.
